

Advantages of the Fusion 2008 Gold Sponsorship

Your sponsorship of Fusion 2008 opens a door to networking and face-to-face time with IT and business executives. As a Gold sponsor you have opportunities to meet attendees and be involved in Fusion before, during and after the event.

What is Fusion:

The Fusion 2008 CEO-CIO Symposium is an exclusive gathering of leaders to network, learn, and innovate. Attendees are senior-level business and technology executives with purchasing power—including CEOs, CIOs, and VPs of information technology.

Fusion is a highly interactive event. Your presence in the sessions and at the networking events will put you front and center. You meet C-level executives and high-level IT managers who attend to network with their peers and engage in lively discussions.

Benefits included

Conference passes

3 complimentary conference registration passes to be used by members of your company or partner organization. Bring top level executives at your firm who have first hand knowledge of the strategic business obstacles that the attendees face. Consider the networking possibilities and the opportunity for one-on-one interaction with attendees when planning your company attendee list. (Would ordinarily cost: \$2,080)

Client invitations

2 complimentary conference registration passes that must be used for top-level executives from an end-user organizations. You can invite a current client or potential client, with the strategic insight and purchasing power needed to make critical buying decisions for their organizations. You have an unparalleled opportunity to establish and build relationships with current and potential clients. WTN can facilitate some invitations on your behalf if needed. (Would ordinarily cost: \$995)

Discount on additional passes

35% off when you purchase extra passes for others in your company, or on additional invitations you extend to current clients or potential clients. (Subject to limited availability. First preference is given to executives of end-user organizations.)

Moderate or join a panel

The Fusion advisory board works closely with Gold sponsors to develop a session through which one of your key executives moderates a session or participates in a panel discussion session. This is an excellent opportunity to benefit from interaction with executive advisors who help you refine and target your message.

Speaker/Advisory Board dinner

One pass for a senior-level executive of your organization to attend the dinner held to honor speakers and advisory board members for their contribution to Fusion 2008. This is an excellent opportunity for you to meet CIOs and CEOs and network in one the most intimate gathering of the conference. Following dinner, a professional speaker facilitates a short and lively discussion.

Exclusive executive briefings

On March 5th, meet in small groups with a select group of senior-level attendees from end-user organizations. These meetings will open up a two-way strategic dialog between you and key attendees and allow you to further demonstrate your expertise. These are not to be used for sales presentations and slides will be limited. The session is designed for strategic briefing and discussion. Vendor attendance is limited due to seating availability.

Multiple ways to promote your brand

Your logo is displayed in the Fusion2008 program, web site, print promotional materials, conference signage, presentation slides, and auditorium. Place a full page ad in the conference program. You are also mentioned in the conference program, presentations and signage as the lunch sponsor.

Signage in Fluno atrium and auditorium

Display your innovations and solutions on a retractable banner that will be placed in the atrium where networking breaks occur. A foam core or vinyl sign will be displayed on the side wall of the presentation auditorium giving your company ample branding throughout the conference. You provide the signs. Details will be included in the sponsor guidelines.

Attendee mailing list

A spreadsheet of all attendees with their names, titles, companies, addresses and phone numbers will be available after the conference. Due to privacy and government regulations, we are unable to provide e-mail addresses.

High-impact, targeted ad campaign

Since reaching the high-level, executive audience represented at Fusion is important to you, continue your exposure with a targeted advertising campaign. The market development fund included with your sponsorship provides matching dollars for advertising on Wistechology.com and in the WTN newsletter. Must be used by April 30, 2008. No credit. The value is \$3,200.

Registration and advertising added value: \$6,275
